Corresponding Secretary Report, Su: Rental inquiries. In winter, rental business seems to pick up. More requests now.

Treasurer's Report, Kathie: Not many changes. Balances stable. Last year we did not hire someone to clean the building.

Building Committee, Su: Got grant approved. Work will start relatively soon on the back steps. Su will send out a request for volunteers.

Social Committee Report, Tom: Call for volunteers for Harvest Social.

Tech Committee: None

Education Committee, Merrie: Discussed RBHS Art Program. It seems like a manageable project to help with. SESAC of Nathan (grant writer) wants to work with Colin Pierce. Students have to pay a studio fee in order to take art class. Felt Volunteer Fair was a success.

Nominating Committee Election: JoAnn, Roderick, Joyce Greenberg and Bob Rosenberger. Gerd moves to approve the slate, seconded. Motion carries.

Social Committee: Tom currently chairs. Sally also a member.

Harvest Social: Claudia would like to know if there is a budget for music this year. If so, how much? JoAnn suggests that we fund music, \$400 budget. Motion to approve the budget, carries. Roderick wonders if we should look to partner with local businesses to provide raffle items like the Anniversary Party, which was successful. Kathie thinks there was enough money incoming from the Anniversary that we should have enough to spend for the Harvest Social.

Arts and Crafts Fair, Dorothy: Call to artist has gone out. Saturday, December 10th from 10-2pm. Artists should work or live in Rainier Beach. Applications are due by November 4th and announced on November 10th. Kathie suggests that we reach out to the Ethiopian Community Center for contacts from their art show. Needs volunteers for the day of the event to set up, sign and poster placement.

Boo Bash Update, Cindi: Some from our group through other organizations hosting booths: Baden Powell, Seattle Tilth. Derek Johnson doing photo booth. He will likely need a couple helpers. Cindi needs more helpers at the command central booth with Sally. Library will have kid friendly story-telling and set up a nostalgic movie booth. Will need tenders. Big entertainment stage with Rainier Dance center will perform Thriller. DJ Smooth. Need kid friendly magician. Urban Impact's Trunk or Treat will make an appearance. New sponsors: Vulcan, McD's.
