</table>

Membership Committee – No news to report

Building Committee – Rental inquiries are up.

Tech Committee – We now have projector with audio up and running.

Finance Committee – Reported $27,728 and $11,493 in savings and checking, respectively.

Social Committee – Second annual Mah Jongg tournament will take place at RBCC on January 18 at 6 pm. Bring a dish.

Featured Speaker. - Chris Svolopoulos, Associate Chief Engineer for Seattle DOT reviewed the departments proposed plans for traffic/safety enhancements at the intersection of 51st, Renton Avenue and Roxbury. Following an analysis of collision patterns, the plan will include traffic lights at 51st/Renton Ave. intersection as well as where 51st intersects Roxbury. Also, the section of Roxbury between Renton and 51st will be one-way EB. The plan also includes lots of curb bulbs, curb ramps, islands and bicycle ramps to improve pedestrian and bicycle safety. RBCC members suggested left-turn protected lanes. The plan will be implemented in 2021 but is in its early “10%” stage. If there are questions, call 206-733-9361 or email NSF_RentonAve@seattle.gov

Topics of Discussion and Announcements

- “Fujitaro Kubota and His Garden” film showing at RBCC on 1/29/20 is sold out. Future showings will be announced.
