

RBCC Executive Board Meeting Minutes: March 25, 2013

Meeting called by Jennifer Pritchard at 730pm. Attended by: Jennifer Pritchard, Kathie Weibel, Su Harambe, Carol O'Brien, Joyce Greenberg, JoAnn Dechant, Kim Travers, Sally Li, Don Andre.

Bridge to Beach Clean-Up: April 8, 2013. Need to know how many volunteers will participate. Proposed spots: Stairwells to Rainier (Cooper, Norfolk or Redwing) and/or overgrown lot at Waters & Cooper. Su will contact the owner of the lot for permission. Free "dump pass" may be available from Seattle Public Utilities for green waste. Club may have to pay for dump fee otherwise.

Land Aquisition: Project was denied by City.

Bus Shelters & Grants: Three bus shelters proposed for third or fourth quarter of 2013. In process of choosing artist. Kathie has requested a firm estimate from the City. Filipino Community Center has chosen to forgo other items for a third tree at Othello Park. A firm estimate is needed there as well. The next round for grant applications to the City will be in October. Someone other than Su will need to apply because she has applied in the past.

Art Walk: September 7, 2013. Should RBCC have a booth? Assist in running the event? A story board with RBCC projects would be a way for outreach. Recommends placing them at the main center of the Art Walk and closer to the Buddhist Temple and Rose Street area.

Kubota Garden: "Community Engagement" at the park. City would like to encourage more usage to prevent car prowls or other petty crime that has occurred there in the past.

Website Help: Help need with organizing the minutes posted online. They were organized by year and would that format again.

Logo: Sally to find out the pricing structure for 99designs.com and similar sites.

Fruit Hotline: Questionnaire about fruit type and access will be offered to those interested. Information will be kept private. Those picking could keep fruit for own use or to donate. Look into liability insurance. Could be similar to Garden Tour disclaimers.
