

Rainier Beach Board Meeting – 8/24/2015

Meeting began at 7:04

Wine event

Aiming to have 50 people there. Having a continual RSVP on Nextdoor. Point is to raise awareness about the club, rental and to drive people into the doors. 9/19/2015 @ 5pm. Carol will bring some wine gift bags that she got from work. Next planning meeting will be 9/2/2015 @ 7.

Art Walk

So far the only people who signed up for art walk are board members. 9/5/2015. The team that will be setting up is assembled. They need 10-1 or 1-4:30 pm shifts. Sally will need the easels from downstairs. There are ad space and canopies paid for (approx. \$35.00). They still need to get the maps and assemble the display

Senior center has only provided one story. It was going to have a photo, a blurb and a story about how they come out. 8/10 paper with the story on it so that the amount doesn't go to big.

Sally is going to email contact at the senior center to find out what questions they were going to ask.

Board decided that it would come up with a sheet to fill in board if need by at the day of the event if need be.

“Growing community together” – We could ask for everyone to write our tag-line in their own language.

We should have business cards at both events.

Nominating Committee

Need to assemble a team at the next meeting. Dorothy, Ed Gau, Iris, Jeanie, Gay may be interested in joining the committee. Joann will figure out who in the board is one 1 year or 2 years. Trying to find someone different that we always use. Iris was also thrown out. Joann will send an email out to see if anyone wants to be on it.

Holiday Bazaar

December 5th 10am - 2pm. \$15 per table last year, there were questions about how much it was. Seward Park / Lakewood will be having theirs on the same day, but many of them will be more corporate or big league sellers.

Website Updates

We need to find someone who will be updating our website. Not hard but it takes time. Will ask Diane, designs website, to see if she wants to do it. She could donate time and it

counts towards our charitable time. We need to figure out how to do the scrolling front page. Art walk and harvest social will both be up soon and can fill out what there is.

Discussed putting the mail chimp emails onto the website, agreed it was redundant.

Agenda for September Meeting

Wine event

Art Walk

Nominating committee

Holiday Bazaar

Announce the Hub meeting

Liz Zimmer is speaking

Hub

Meeting on 9/3 and a drill on the 9/12. The 12th will be focused on cargo bikes, which could help people move things during an emergency.

Building

Event at the building this weekend, a birthday party. 4:30 – 10:30 Saturday. Sally said she could do it.
