Going to get a check list together to get out of the

Water bill. \$212 when it was running. Usually \$55-\$65 water bill. May and June \$154 to water the new garden. Right now VFW is not watering our garden. Su said she will talk to them about it so we don't lose all the great gardening we put in.

Website update

Page and a half letter from bill with questions and comments about the website. We need to remember to give him content.

Speaker for this Meeting

Liz Zimmerly, Toxins in the house.

Elections

Don Koonce, Jane Clark and Bob Rosenberger are on the nominating committee.

Rodrick wants to be involved, would like to meet more people involved. Yad wants to be involved with a Trustee position.

We have just enough people express interest in getting involved as we have open positions. Su needs to move to trustee.

Finances

Kathy sent a spreadsheet around, we are doing better. We earn \$2066 last quarter. We made a profit!

Kathy has cleaning up the accounts by moving the deposits. \$9,201 in checking and \$12,000 in the savings.

We need to have a separate account to hold deposits. Su and Kathy.
