

## Rainier Beach Community Club – Executive Board Membership Meeting 09.28.2016

In attendance: Don Andre, Roderick Givens, Gerd Prewett, Kathie Weibel, Tom Beck, Su Harambe and Sally Li. Meeting begins at 7:04pm

Membership Committee, Gerd: Should we get more membership signs? Do we know where the original sandwich boards came from? We only have one sandwich board, did we have more? Gerd can find out more information about pricing and approve via email. Next design should have "Meeting Wednesday". Gerd suggests lanyards at .14 a piece. Voted and approved.

Building Committee, Su: Some delay from the person reviewing the grant. We have 6 months to finish the project but work will start as soon as possible after approval. The whole stair project should be covered under the two grants. Someone offered a rhodie to plant. Su suggests that we plant it by the rain garden to shield the barrel. Idea to reach out to possible kid activities during the day to take advantage of the low rate? Could use as a marketing event.

Finance Committee, Roderick: Two events coming up. How can we improve revenue from the Harvest Social and RB Arts and Craft Market. Work on budget soon, due in January.

Social Committee: We need a new committee chair. Tom will volunteer if no one will take it. Need to discuss at the next meeting. Harvest Social: Carol and Ruth? Assign dishes by last name?

Volunteer Fair, Gerd: Went well, could have used more attendees. Library happy to get more Homework Helpers. Urban Impact helped a lot. Safeway donated snacks. Discussion about inserting a budget item for marketing this event next year. Good networking for the organizations. Spread to Emerald, So Seattle, etc.

Boo Bash: Cindi maybe looking for more booths and volunteers. We would need to have an activity.

Elections: Need to find a new president for next year. Nominating committee candidates: JoAnn Dechant, Don Koonce, Roderick Givens, Kathie Weibel. Propose slate and ask if there are any new members?

Recycling Challenge, Tom: Joel from WM is willing to speak at our meeting for the October meeting. Tom will reach out to him. Goodwill needs to find a location for a collection October 15-16. Sally will reach out to Mike Stampalia and King Donut for a location. Tom will be out of town that weekend. Will need lead.
