

RBCC BOARD MEETING 5-24-2017

AGENDA

Su opens the meeting at 7:00 PM

Building Paint Project

Quote for a regular painter to scrape and repaint the building. Su has a painter coming to do a bid in the next couple of days. Jackie requests that we call Erduon again and see if he is willing to rebid this project for our new request.

State Farm Neighborhood Grant – up to \$25k. Application accepting opens at Midnight June 7 (EST). The earlier you apply the better. This is a national grant so we need to have our plan for application prepared ahead of the application date. Let's look at grants from years past to accumulate our history, plan for use, and approach for this grant. Su and Gerd will work together to apply for this grant; Jackie will also review and give advice. Voting is public and one person can submit 10 votes per day.

We should get together with VFW to partner with them for the grant, since they are the building owners. We may even be able to apply once for the RBCC under the community category, and once under the education category for the VFW.

Su, Gerd, Tom, and Jackie will conference and work out the details for this grant.

Next Social Event

Volunteer Fair? Natalya will email Clansy about getting the committee together. Set a committee meeting date before June Membership Meeting.

Game Night

Next Game Night will be in June, possibly. We do not have a budget – possibly charge for entry and budget for snacks.

Talkin' Trash Project

Four Saturday's in a row now – it's making a difference. Posting on Nextdoor already, need to post on Facebook too. Natalya will send wording to Su for posting at Redwing, Jude's too?

Next Speaker (June)

Anne Vadalla – Skyway Library

BAAMFest – July 22nd

Planning is starting earlier due to new event manager and new Merchants Association member (new Maya). It is slow to start, but the event is moving forward.

There will be a Haiku contest. Sally will look into posting Haiku Contest form online.

Mayor gave a \$30k check at the BAAMFest meeting today. It's unclear if that is for the event or RB Merchants Association.

Agenda for June Meeting

New bids for painting the building

Next social event – Game Night/ Volunteer Fair

Trash Project

Info about the new meeting signs

BAAMFest

Library Speaker

Natalya will not be at the June meeting, but Sally will take meeting notes.
