Other Items Discussed:

- Nancy Carmona (UW PHD) will report at next month's meeting on air quality study in RB
- April 11 meeting speaker will be from Rainier Scholars
- Sally presented LinktoLake beautification project for Beer Sheva park. Next meetings are 4/21/18 at 8825 Renton Avenue South and 6/2/18 at 8650 55th Avenue South.

- Natalya reported on the RB Economic Round Table. It meets once per month to discuss neighborhood developments with a goal to ensure that they reflect and enrich the community. They also help local business owners understand what resources are available to them. The group is new and still in development.
- Lauren reported on Seattle DOT's plans for a RapidRide route up Rainier Avenue. Postcard coming in the mail soon. Encouraged all to provide feedback to DOT for improvements that would better serve RB.
- Lauren also reported on "Your Voice – Your Choice" meeting at the RB Library on 3/36. It's an opportunity to suggest ideas for the use of City budget \$ for small scale street and park improvements (15 projects in all). Kathy suggested that we make sure that RBCC already existing project list is submitted.
