October - Daphne Pie, manager of Public Health's Access & Outreach program and of a county-wide network of agencies that are engaged in assisting people with getting access to health insurance and health services. She's the lead for the Navigator program in King County for Washington Healthplanfinder (the state's health exchange under the Affordable Care Act).
- b. November – Not finalized. Maybe someone to talk about green new deal.

2. News. And Updates

- Century Link bill will be shared with VFW (\$120 / 2,per month). This is not net of \$300 amazon gift card.
 - Windows will be cleaned 9/28.
 - Kathie and Ruth will attend Precinct Advisory Committee Mtg on 9/26
 - RB development town hall meeting will be on 10/17 to cover developers plans for our neighborhood. Good time to raise concerns about insufficient off-street parking etc.
 - Green Seattle Day will be 11/2. Volunteers all over Seattle weed, plant trees and do general yard work (like in Dead Horse Canyon and at RB Urbn Farm).
3. Games and Brews Recap – Sparsely attended. Lots of leftover beer. Only \$120 in donations collected which did not cover costs. This has been and well-attended event in the past. Lessons learned include: more Facebook marketing and street signs, consider BYOB and “donations welcomed” (instead of \$10 suggested donation).
 4. Harvest Social – 11/29. Alan, Natalya, Anne and Ruth will be the organizing committee. Brett volunteered to handle the kids (assuming that we can get the room downstairs). Su was going to inquire about a DJ. Board needs to decide about Seahawk Raffle (Roderick can supply tix). Otherwise, no raffle needed. Committee will meet on 10/9, right after membership meeting.
 5. RB Arts and Crafts fair will be on 12/7. Dorothy and Joyce in charge of set up.
 6. Next Board meeting on 10/23 will be at Anne’s house.
 7. We need to recruit new Board members. Alan will research nomination process as a refresher.
